ecover works for you

Our naturally derived cleaner acts fast to tackle unsightly stains so you don't have to scrub or inhale nasty fumes.

Our green factory roof insulates so well we use less heating and air conditioning, and that helps us limit our impact on the environment.

We make detergents & soaps using renewable plant-based and mineral ingredients, so our cleaners are gentle on you & the environment.

ingredients

<5%: non-ionic surfactants, perfume; others: water, citric acid, sodium citrate, xanthan gum.

Formulation number: 3000673

instructions for use

Squirt a small amount into the toilet and under the toilet rim. Leave for a few minutes. If needed, scrub with a toilet brush. Flush.

packaging material

Bottle is made from renewable polyethylene (75%; sugar cane) and recycled polyethylene (25%; PCR); cap is made from polypropylene; label is made from polyethylene and polypropylene.

about ecover

At Ecover we have been pioneering green science for over 30 years to make effective, plant-based cleaners that are good for the planet and the people on it. Now the trees might hug you back.
